

Warning

The use of Weber Tactical holsters with firearms for which they are not designed, modified, or with customized firearms, greatly increases the potential of an accidental discharge. Such discharge may result in death or serious injury. For full warning and caution is available for free by calling 573-253-0305 or email us at draw@webertactical.com. Always obey the rules of safety when handling a firearm, and when holstering or drawing your weapon make sure there are no obstructions which can cause an accidental discharge.

Lifetime Guarantee

This holster has a lifetime guarantee against normal use. Any attempt to alter this holster, or use in a way it was not designed for will result in the warranty being voided. This holster was custom designed to fit the weapon stated on this label and will not fit any other gun. Weber Tactical will not replace any holster that has been altered in any way. Weber Tactical recommends once you have set your holster to the position you want it to use lock tight on the screws to prevent screws coming loose.
